If you are spending a lot of time trying to keep up with your weekly expenses - not claiming everything on time or just leaving things until the last minute then we have the solution for you.

Our expenses app - *InControl Expenses* - helps you to manage your expenses claim sheet and ensures that everything is claimed on time.

The application will allow you to enter standard Company rates or to use the Civil Service standard approved rates ensuring that everything is done correctly and inline with Revenue requirements. You can download a 7 day trial from our website - www.computech.ie and see how easy it is for yourself.

While there you can also check out our other software including :

InControl CRM - Sales Leads Generation Customer Relationship Management software

InControl CFD - Computech Form Designer developed to allow you to create Checklists and Forms

DocManager - Document Management app for writing specifications and other large documents that have a lot of standard text paragraphs
